TUBBS HILL HIKE

TUBBS HILL HIKE DETAILS:

See McEuen Park parking info on Off-Site Meetups page.

If interested in this hike, meet at 2:00pm Saturday afternoon at our group site in the park, between the large pavilion and the Tubbs Hill trailhead.

DESCRIPTION:

This popular 2.2-mile trail loops around Tubbs Hill just south of Coeur d'Alene. You can walk from downtown, pass McEuen Park, and get right onto the trail! There's even a beach on the southwestern side of the loop. Take in the views of Harrison Slough, and then loop back to where you started! Although this trail is mostly flat for the first mile, the trail is narrow, dirt and has many obstacles such as rocks and roots. For these reasons, it is not considered wheelchair or stroller accessible, although some users may be able to navigate it with their equipment. Generally considered an easy route, it takes an average of 52 min to complete. This is a very popular area for fishing, hiking, and trail running, so you'll likely encounter other people while exploring.
